

C.E.S. STANDARD PLAN INFORMATION NOTICE

Physical Facilities Department

This notice addresses new information that may be helpful in your work with the C.E.S. standard plan program. Please take time to review the information in order to understand its potential impact on construction work under your stewardship.

Date of Notification: *November 20, 2006*

Information Title:

C.E.S. Institute Wall Finishes - Clarification

Information:

C-SPC notification #01 (dated Dec. 20, 2004) and C-SPC notification #06 (dated November 7, 2006) both refer to changes to the interior finishes of Institute and Seminary Buildings. To clarify: INSTITUTE Buildings will not have Acoustic Wall Carpeting placed on any wall application anywhere in the building (except as currently specified for the Folding Panel Partitions dividing Classroom spaces). The only approved wall surface applications for the Acoustic Wall Carpeting will be on the walls above the chair rails in Classrooms of Stand-alone SEMINARY Buildings and SEMINARY PODS attached to meetinghouses.

Instructions for Implementation:

This instructional information applies to all new projects unless changes will require a delay, re-order of construction materials, change order resulting in a cost increase or modification of existing construction work.
