

# STANDARD PLAN INFORMATION NOTICE

Physical Facilities Department

This Notice addresses new information that may be helpful in your work with the meetinghouse standard plan program. Please take time to review the information in order to understand the effect this information may have on construction work under your stewardship.

**Date of Notification:** *November 17, 2003*

## Information Title:

*Announcement: Approval of stile face changes for Solid Wood Doors in meetinghouses*

## Information:

*The Standard Plans and Specifications Committee has approved, as of September 19, 2003, changes in the specifications from "1/4 inch stile face to be hardwood matching face material" to stile face materials and types as follows:*

- "1/16th inch hardwood stile face matching face veneer material", as manufactured by VT Industries.*
- "Veneer tape stile face matching face veneer material", as manufactured by Marshfield.*

*The doors will continue to have a "lifetime" warranty. The specifications have been revised and will be included in the November 2003 standard plans release.*

## Instructions for Implementation:

- For immediate implementation as a "no-cost" change, if submitted for use by Contractors in on-going projects.*
- Project Managers should forward this Standard Plan Information Notice to Project Architects for their information and use as needed.*

## Attachments:

*None*
