

STANDARD PLAN INFORMATION NOTICE

Physical Facilities Department

This notice addresses new information that may be helpful in your work with the meetinghouse standard plan program. Please take time to review the information in order to understand its potential impact on construction work under your stewardship.

Date of Notification: *October 17, 2007*

Information Title:

Video Guide to the Johannus WM-44 LDS Organ

Information:

The presentation reviews all the basic functions of the Johannus organ.

Instructions for Implementation:

With the recent addition of Johannus in 2005 to the selection of organs available for use in meetinghouses, many priesthood leaders and members may still be unfamiliar with this option. This DVD is intended for use with priesthood leaders requesting more information about the Johannus prior to selecting an instrument for their building.
