

**US AND CANADA**  
**AV TECHNOLOGY AND ACOUSTICAL CONSULTANTS**

April 2024

The companies listed below are the approved AEC acoustical and audiovisual consulting firms for meetinghouse projects. Per AEC design guidelines only these companies should scope and prepare bid documents for AV Replacement, New Construction & R&I Projects. Emergency Replacement projects with limited scope may be planned by an AV Contractor. Standard Design Templates are available from AEC for use to ensure consistency and standards.
