1	Font safety guardrail has been added on the viewer side of the font. The guardrail is 42" high and made of tempered glass railing.	X	X	X	X	Added on Font option sheet	X	2
2	Rostrum Seating: The first row of seating on the rostrum has been changed to pews to match the rest of the rostrum seating. The PM and Stake Leadership have the option to select opera chairs for the entire rostrum. This change was approved by Meetinghouse Directors. SPI #32 was issued September 27, 2006 indicating this change.	Not Affected	X	X	Not Affected	X	X	3
3	Automatic Door Openers have been added at one entry door in all of the current standard meetinghouse plans except the Palmyra. The exact location of the door opener is to be coordinated on a project by project basis.	Not Affected	X	X	X	X	X	3
4	Fire Sprinkler Systems in the overbuild areas have been changed to an antifreeze loop extension of the wet pipe system. This change was made to reduce the chance of freezing pipes in cold weather areas.	X	X	X	Not Affected	X	X	2
5	Toddler Restroom: The layout of the toddler restroom in the Heritage & Legacy plans has been modified to locate the lavatory to the interior wall. Pipes for the water closet are to run in an interior wall to prevent freezing in cold weather areas. A heating / cooling supply air outlet and two wall grilles have been added to this space.
