Release Date: December 2010

Release Number: 1

Summarized below is a list of modifications made to the Standard Plans, which are applicable to the Building Designs indicated. This list is not intended to be exhaustive or detailed in nature, but is a tool for Project Managers and their consultants to quickly identify changes made since the last Standard Plan Update. The **Priority Level** is intended to identify four levels of implementation for current projects in the late design phase or construction phase. Current projects in the planning phase or early design phase should incorporate all Changes where applicable. **Level 1 - Essential Priority:** Implement Change even if building is near Substantial Completion; **Level 2 - Important Priority:** Implement Change even when Change may require minor additional cost - if Change will require significant additional cost or time, Change is left to PM's discretion; **Level 3 - Standard Priority:** Implement Change at PM's sole discretion. **Level 4 - Low Priority:** Implement Change as appropriate to phase of project. Change should not affect cost or schedule.

Level 3* - Modified Standard Priority: As directed by an area planning manager, use these new standard plans for smaller meetinghouse and stake center construction projects.

Item No.	Affected Sheet No's and Detail No's	Affected Spec. Section	SPC No.	Description	Priority Level
1	All Drawings			Drawings: Initial release of standard plans for five sizes of phased meetinghouses and one smaller size stake center.	3*
2		All Sections		Project Manual: Release of master specifications that are coordinated with these new standard plan meetinghouses.	3*
3				Mechanical and Structural Calculations: Release of engineering calculations prepared for these new standard plan meetinghouses.	3*

RELEASE NOTES:

These new phased standard plan meetinghouses are provided in response to planning needs for smaller meetinghouses in US/Canada.

No portions of these new documents are to be used together with any documents of any Heritage standard plan meetinghouse styles.
